

Your Daily DEUTERONOMY

With Apostle Andrew Wutawunashe

Friday

1st March, 2019

READ: Deuteronomy 1v1-8

● The Word 'Deuteronomy'

The word "Deuteronomy" is the Greek word "*Deuteronomion*", a combination of two words: "*deuteros*" (second) and "*nomos*" (law), i.e. **SECOND LAW** - capturing the original Hebrew meaning that these were Words of the law, promise and commandments of God which Moses, God's Servant and leader and pastor of 'the church in the wilderness' (Acts 7v38), was giving **FOR THE SECOND TIME** and **TO A NEW GENERATION** which had survived falling in the wilderness and was set on, and now being prepared by this **SECOND LAW**, to enter into and to possess the Promised Land.

● In 2019, the Year of Progress with Growth,

Deuteronomy is especially being brought by the Lord to us, *THE NEW VESSEL*, who survived the 2016 falling away from the African Revival, to prepare and equip you to go forward and possess the promised land of blessing, service and achievement for your life and for the Lord. Give thanks to God that He chose you for the *deuteros nomos* - ***the season of fresh instruction for a new generation which will enter into and possess the promised land - being blessed and fulfilling the Vision the Lord gave us through Apostle Andrew Wutawunashe***.

● Verses 5-8:

Your progress or Promised Land is on **THAT SIDE**, not **THIS SIDE** where you stand. This simply means the Lord wants you **TO CROSS OVER** in every area of your life - from weakness (this side) to strength (that side); from poverty (this side) to wealth (that side) etc. Define areas of your life in which you need to cross over, then claim the promise and resolve to take actions to cross over.

● Verses 1, 5-6:

The tool or weapon that God gives you to use to cross over into your promised land is **WORDS**, i.e. His Word, Promises and Commands. When Moses faced the challenge of taking the new generation into the Promised Land, all he used was ***speaking the Words, promises and commandments of the Lord to them***. Today, dedicate yourself to depend on, use, apply and put your trust in God's Word as you progress forward into your promised land. (Acts 20v32).
