Read: Deuteronomy 4v1-9

 v1:

When you gave your life to Christ and became a child of God, you submitted yourself to God's Kingdom, to His rule over your life. God rules over our lives through His laws or His Word. The Word tells you what to do and what not to do. It is important that you understand that God's laws are for your good - that when you do them you will live and have the power to possess all He promises you in His Word.

 v2:

Reverence, Honour And Obey God's Word Or Commandments. True faith in Christ calls you to take God's Word as it is, not changing or adding anything.

 **Think on the words of Jesus in John 14v15.**

 v5, 6:

It is keeping God's law or Word that identifies you as a child of God, and gives good testimony of your faith in Christ before people. Today take time to pray repenting from things in your life that are not according to God's Word, and dedicating yourself to live according to His judgements and statutes.

 v7:

Keeping God's law brings God's presence into your life and moves God to answer your prayers.

 **Think on John 15v7.**
