

Your Daily DEUTERONOMY

With Apostle Andrew Wutawunashe

Sunday

3rd March, 2019

READ: Deuteronomy 1v1-8;
2v1-4; 3v1-4; 5v1-3

Deut 1v6-8; 2v1-3:

It is important to understand that you are on a journey of progress and growth - a Journey You Are Taking With God. It Is God Your Father Who Desired, Purposed And Promised To Take You Into The Promised Land of blessing and achievement in your life and in His work. You are not alone. He is with you to help you. Your progress and growth is guaranteed by this one truth: **YOU ARE ON A JOURNEY WITH GOD.**

Deut 1v1, 9-11; 2v 1; 5v1-3:

"Our journey....." - Not only is this your own personal journey with God your Father - it is also **our journey together**. The Lord's design is that you take this journey of life, blessing and achievement together with God's people, the church, and with the leadership the Lord has brought you under, just as Moses led Israel on their journey. This Sunday is an important day to meditate on the design God made to bring you, in the spirit of sonship, under the leadership of Apostle Andrew Wutawunashe, and under the Local Church leadership of our Pastors And Elders as we fight for progress and growth in our lives and in the church.

Deut 1v5-18; 2v1-4:

Divine order is that you go forward willingly submitting yourself to the Godly leadership God has appointed for you. Moses is ordered by God to 'command the people' according to how God has directed him. Consider Hebrews 13v17.

Deut 3v1-4:

God has brought us together on this journey with Him to fight together and take the land through the gospel. Take your place as a part of God's team in fighting to take the land for Christ - come to church, pray and worship with others, serve , work and give in God's House.

Deut 5v1-3:

On this journey, we are together in covenant with God to live according to His laws (Word), and to pursue the same faith in Christ together. Think on Deuteronomy 4v5-6.
