Read: Deuteronomy 1v19-40;
Hebrews 4v1, 8-16.

🔵 **Deut 1v34-39; Hebrews 4v7, 11:**

Whatever God has promised you in His Word, it is His desire that by co- operating with Him, you may enter into it and possess it. He urges you to make the choice to enter into all He promised you.

🔵 **Deut 1v27-32; Hebrews 4v3, 6:**

These three things will hinder you from entering into and possessing all the good blessings and achievements God promises you:

- a. **Unbelief,**
- b. **Fear and**
- c. **Murmuring (dissatisfied grumbling and complaining).**

However well and convincingly these three spirits try to justify themselves to you, identify, fight, reject, repent from and kick them out of your life. Cooperate with God and enter and possess your Promised Land.

🔵 **Deut 1v29-31; 33; Hebrews 4v11-16:**

The Lord gives grace and help to enter into and to possess their promised land to those who Labour:

- a. To believe His Word of promise.
- b. To be willing to take, without grumbling or dissatisfied complaining, any action of faith necessary to enter into and possess the promise
- c. To be bold, believing and fearless, confident in His ability and help to take them through. Today make a decision to make these three things part of your life: faith, willingness (obedience) and boldness.

This is the path to progress.
