DEUTERONOMY

With Apostle Andrew Wutawunashe

Saturday
9th March, 2019

Read: Deuteronomy 3v1-17;
9v1-3:

● **3v3-7:**

In this Year of Progress with Growth, it is important for you to understand that the Lord wants to bless you and help you to achieve in ways you have always looked at as too big or impossible. This also means that you must set your mind to take up and fight to possess higher and impossible looking territories of 'Ogs' and high fences. To go forward in this manner, you need this revelation: **you have a supernatural, all powerful God to whom nothing is impossible, helping you and fighting unto victory on your side.** Prepare your heart and mind for supernatural achievements and progress, and seek the Lord in prayer for such, then ACT BOLDLY as you go forward.

● **9v1-3 :**

"thou art to pass overto go in and possess.." God requires ACTION from you. There is no progress for those who hear, hear and hear, and yet do nothing. God urges you that with urgency, you must move forward and take every action of attack required by the promise or command from God which is before you. Take a hard look at your way of life today and ask yourself, *"Am I acting, going forward and possessing?"*

● **9v1, 3:**

"this day" ... "destroy them quickly as the Lord hath said unto thee". Just as much as God wants you to move quickly, you will witness His miraculous power in the way He will cause victories to come to you with supernatural speed.

● **THINK ON ROMANS 9V28.**

This is a day to pray for supernatural speed in the coming of your victories and blessings, and in the accomplishing of all you set out to do for yourself and for the Lord, as you also commit yourself to act quickly. REMEMBER, THE LORD HAS PUT HIS HAND UPON YOU IN 2019 THE YEAR OF PROGRESS WITH GROWTH SO THAT, LIKE ELIJAH, YOU MAY GO VERY FAR, VERY FAST. 1 Kings 18v46
